I can't stand smoking

The most difficult thing for me is to sit in a place that is full of the smell of cigarettes. When you visit an internet café; the first thing you face is this big, cloud of smoke and the unpleasant smell of cigarettes. It's completely not healthy to stay in such place. Many people suffer from public places full of smokers who fill the air with their smoke. Even those who used to smoke once they stay away from this bad habit. They start feeling uncomfortable around smokers.

Nowadays people smoke everywhere, in the restaurant, offices, streets, parks, even in the hall of the hospitals. Smokers who used to smoke one pack daily and stopped can feel how much they lost of their lungs capacity. But people don't think about that when they smoke as young powerful strong and healthy adults.

1. What is the article talking about?
2. Can you suggest another title for this article? What is it?
3. What do the people suffer from when they smoke according to the article?
